

Key Retention

One of our goals at Whiskers2Tails Pet Care is to make your trips as convenient and seamless as possible. At the end of your first sit, if you are completely satisfied with the service we provide, then we can make your future trips easier and more expedient.

When Whiskers2Tails Pet Care takes possession of your keys, they are coded so that the keys cannot be matched to your personal information. During your sit, one key is in possession of the sitter (for entry purposes) and the other key is secured in a lockbox at our office. If we enter your house using an entry code, then the back-up key is maintained at our office.

With us implementing these precautions we are able to continually retain your keys for future sits. This will eliminate the need for us to pick up and drop off your keys after every visit. This will not only help you, but it will allow us to provide you with exceptional care. At any time, if you wish to start this service, or discontinue this service we will promptly follow your wishes.

We hope this service will provide you with a benefit that will make taking trips that much easier.

If you want to take advantage of this service, please sign this document and return it with your payment and invoice.
